STAMPS

1. A **Bonus Antlered Deer Stamp** allows you to take one (1) additional antlered white-tailed deer for each Bonus Antlered Deer Stamp purchased within the established bag limits for a given Deer Management Region. If the bonus stamp is not used in a particular season or region, it may be used during a subsequent season or another region (if allowed) in the same hunting year. The bonus stamp must be purchased prior to pursuing a bonus deer. Refer to the *Guide to Hunting and Trapping in Maryland*.

PERMITS

1. DNR Managed Hunt Permit

This annual permit is required to hunt DNR properties that charge for Managed Hunts. Hunters must contact the properties they wish to hunt for site-specific rules and regulations. Exemptions: persons legally hunting with a Junior license and active military not required to possess a Maryland hunting license.

2. Furbearer Permit

With certain exceptions, a person must now obtain (individually or through a group) a permit to hunt, chase or trap any furbearer (muskrat, beaver, raccoon, red or gray fox, opossum, mink, skunk, river otter, fisher, long-tailed weasel, coyote, bobcat), including persons participating in the unarmed chasing of fox and raccoons. This permit is also required for persons not required to have a hunting license (e.g. landowners hunting on their own property) and holders of senior lifetime hunting licenses.

Furbearer permits are issued to individuals (\$5) or groups (\$10). An association or group established for the purpose of chasing or hunting furbearers may secure a group permit. A group member or guest who participates in furbearer chasing or hunting with the group is not required to possess an individual permit.

3. The **Shooting Range at Myrtle Grove Wildlife Management Area** in Charles County offers an annual permit. The permit is valid August 1 through July 31. No permit is required for individuals under age 16. A \$5 daily permit is available at the shooting range only.

The trainer, or anyone assisting in the training, shall possess a valid hunting license while training. If the birds are held for more than 48 hours, a game husbandry permit is also required (contact 410-260-8540).

The Annotated Code of Maryland requires the collection of Social Security numbers from all recreational license applicants (Natural Resources Article, Section 10-301 for hunting licenses and Section 4-205 for fishing licenses). The Department's Privacy Policy prohibits the display of your Social Security number on any documents accessible to the general public, including your hunting or fishing license.
